Kia ora Roseneath Whānau

Great to see you!

It was wonderful to see so many of our Roseneath parents at our **Learning Conference** evenings this week. Thank you for braving the cold to meet with us! Learning Conferences are a powerful way for our children to see that their teacher and their parents care about them and their learning, that we are proud of their success, and committed to help them progress even further! You will see notes and the confirmed goals from this week's meeting reflected in your child's end of year report.

A warm welcome to Arnon and Eleanor who have joined Aft class this term. We know you are off to a great start with us at Roseneath School.

Full School Assemblies Week 4 - 11 August and Week 7 - 1 September

We enjoy sharing our mahi with you at full school assemblies and really appreciate your attendance. We won't be having an assembly in Week 10 as we have 3 Show performances that week on Tuesday afternoon, Wednesday and Thursday nights (19,20,21 September). We look forward to seeing you there. Tickets will be on sale soon.

School Website www.roseneath.school.nz

We have a new and improved website which is now live. I'd like to acknowledge Caroline Houghton who has maintained our previous website for the past few years along with [Nikos Skepetaris](#) from the Board who's due diligence has led to the new website. After a few technical difficulties we are now live and with the team from Skoolloop are able to add and amend the site with relative ease. Thank you to Caroline and Nikos.

Inspire Photography Tuesday 22 August

Our school photos will be on Tuesday 22 August.

This year there will be an opportunity for sibling photos so you will be able to bring pre-schoolers for this family photo. Please be a school by 8.30 am for the sibling photos.

Our sports teams will need to bring their Roseneath School T-shirts for their sports photos.

Our Rōpū House groups will have a photo together, it would be wonderful if they can bring something

they can wear in their Rōpū House colour (scarves, hair accessories or similar!) for their photo.

School Donations

Roseneath School receives the minimum amount of Government funding to run our school. These funds are sufficient to cover the core infrastructure and operations of the school. Beyond this, the school has to meet its own needs. We are very fortunate that the school has the support of its community. More than a quarter of our operating revenue comes from the school community through parent donations and fundraising. Guidelines have recently changed around how we communicate other requests for your financial support- including for our Education Outside of the Classroom (EOTC) experiences such as trips and activities, and digital subscriptions for learning programmes like Mathletics. You will see these itemised on your Contribution Request. As a school we believe that these activities and opportunities are an important part of the broad learning experience that your child receives at our school, and we really appreciate your ongoing support so that they can continue.

In 2023 we are asking for a \$350 donation per child. If you are wanting a receipt for the donation part of the contributions to the school, please request one from the office. Don't forget that any donations that are paid can be claimed from the Inland Revenue on IR526 Tax Credit Claim form each year. You will be able to claim back 33% of your donation. Should you find it is not manageable paying the contributions for your child as a lump sum, please contact Joanne to set up a payment plan.

Ngā Whakataukī - Ngā Whakatauākī - Proverbs

Whakataukī are proverbs that the person who first said it first, is not known.

He aha te kai ō te rangatira? He Kōrero, he kōrero, he kōrero.

What is the food of the leader? It is knowledge. It is communication.

Whakatauākī are proverbs.

They have been described as 'expressions of thought' and are often formulaic, sometimes cryptic using metaphor, and are often used by speakers within whaikōrero.

Basketball Hoop

We have a regulation size basketball hoop complete with back board surplus to requirements. It is yours in return for a donation to the school. Let me know if you are interested. You would need a trailer to pick it up.
